Veteran's Day Committee

- Calling all Vets and All Citizens of Canyon Lake to keep November 11 morning open. On that day at 10:30 am in front of the City Hall, Canyon Lake will honor all of our Veterans. President Bonner will be Master of Ceremonies.

The Friday Flyer has and will have information on this wonderful event and we are asking all Vets to please fill out the questionnaire and return it to the City, so we know who you are. The Committee would like to place a Flag on your property that day.
