

## Community Patrol Committee

Our primary responsibility is to advise the Board of Directors on the current status of the Community Patrol operation. The Committee, in cooperation with the General Manager, is mandated to (1) review and make recommendations to the Board relative to the overall performance of the Community Patrol Operation, (2) review Community Patrol Management Reports,(3) review Canyon Lake POA Community Patrol Quality Assurance Reports, (4) Review Barton Quality Assurance Reports and (5) conduct an annual review of the Community Patrol Operation and shall have the authority to review the Community Patrol Contract (excluding any dollar figures) in order to perform the duties specified above.

The Community Patrol Committee functions in an advisory capacity presenting specific recommendations to the Board of Directors as appropriate.

Our current Board Liaison Rep is Guy Kestel and Vince Shiavi and Mike Elliot represent the Community Patrol in our regular meetings.

Our Committee is comprised of Lee Clark, Donald Dean, Glen Dunagan, Ellen Dyer, Irving Levy, Michael O'Sullivan and myself.

Our most recent efforts have been regarding excessive noise on the lake, whether to pursue establishing a Neighborhood Watch Program, and the Quagga Mussel Program for Canyon Lake. I thank Laurie Owen for the excellent support acting as liaison between our Committee and the POA.
