

## Fairway Estates Committee:

The Fairway Estates Committee meets quarterly in the Magnolia Room. Our committee consists of a chairperson, secretary and five additional members. The committee is an advisory group that expresses the concerns and desires of the residents to the property owners association.

Paul Johnson, Canyon Lake Operations and Guy Kestell are the POA liaisons that attended our meetings. They take the concerns of the committee to their respective groups for answers to various questions.

The Fairway Estates Committee is currently seeking additional members to join the committee. Members with interest are encouraged to pick up an application at the POA Office or contact Paul Johnson 244-6841 \*511.
