

Canyon Lake Property Owners Association  
31512 Railroad Canyon Road  
Canyon Lake, CA 92587

July 22, 2008

The Canyon Lake Community Garden Committee first met on November 27, 2007. Members include Susan Corns, chairperson, Charles Branch, Laine Cooney, Patricia Malone, and Marjean Marich. During our first several meetings we discussed location, Canyon Lake Community Garden Rules and Regulations, made a wish list, and had an Architectural plan drawn up by Richard Corns; of Sierra Park East, which consisted of 35 to 40 plots ranging in size from 20X20, 20X10, 10X15 and 10X10.

At the June Board meeting Laine Cooney presented the groups preliminary plans and an informative presentation about community gardens, the choice of the location, the benefits of healthy eating, exercise received by gardening, socializing, and how parents can share gardening with their children. At the following Board meeting the Board rejected the location of Sierra Park East. The Canyon Lake Community Garden Committee has since met with Paul Johnson, Operations Manager, Kathie Barnes, Activities Manager, Clint Warrell, General Manager and Board Member David Johnston, Director; and have a possible new location for the Canyon Lake Community Garden, Sierra Park North, and are awaiting pricing and information from Paul Johnson, before we can proceed further.
