

## **Senior Committee Annual Report 2009-2010**

The Canyon Lake Senior Center offers a variety of classes and activities for the seniors in the community. Each month, a calendar of events is displayed inside and outside of the facility, for members to see what activities and classes are available to attend. As in years past, the Senior Center has continued to have activities such as needlecraft, card players, woodcarvers, dancercise, and game night. Each month, the Senior Committee will host a potluck dinner and dance at the Senior Center, that all seniors are invited to attend. The food and entertainment makes for an enjoyable evening with friends and neighbors. Annually, the Committee will host a Yard Sale and Holiday Boutique with proceeds going to the Senior Center. Another big event the Senior Committee hosts is, the Annual Christmas Party. It is a night of entertainment, dancing, and lots of good food. It is an event you don't want to miss. We want to thank all those members that volunteer for and with the Senior Committee and Senior Center.
