RE: 30 Day Reading - Rule Removal GR.4.4e Conditions for Obtaining Permit

Background

To address concerns related to abuse of guest fishing within the community the proposed rule change would eliminate the guest fishing permit. The only exception to this rule would be for registered guests of the campground. Campground guests would be permitted to fish from the shoreline of the campground provided they have a valid State fishing license.

These changes were discussed and recommended during the September Recreation Committee meeting.

Fiscal Impact

None

Recommendation

It is recommended that the Board of Directors approve the 30 day reading to remove rule GR.4.4e as attached.

Cory Gorham, Sr. Member Services Manager
