RE: 30 Day Reading - Rule Removal GR.4.4h Evidence of Proper License / Permit Required

Background

In combination with the proposed rule changes to eliminate the guest fishing permit this proposed change would remove the requirement to have the guest permit visible at all times. In addition, it would remove the requirement to have the State fishing license visible at all times which would align our rules with State law.

Fiscal Impact

None

Recommendation

It is recommended that the Board of Directors approve the 30 day reading to remove rule GR.4.4h as attached.
