RE: APPROVAL - Rule Revision GR.4.4c Fishing Permit Required, FEE and FINE
Schedule Change

Background

To address concerns related to abuse of guest fishing within the community the proposed rule change would eliminate the guest fishing permit and require that all guests over the age of 15 be accompanied by a member. The only exception to this rule would be for registered guests of the campground. Campground guests would be permitted to fish from the shoreline of the campground provided they have a valid State fishing license.

These changes were discussed and recommended during the September Recreation Committee meeting.

Fiscal Impact

Reduction of estimated \$4500 in annual revenue generated from permit sales.

Recommendation

It is recommended that the Board of Directors approve to revise rule GR.4.4c as attached.

Cory Gorham, Sr. Member Services Manager
