RE: APPROVAL – Fee Schedule and Rule Revision LM.2.6 Registration is Required by CLPOA on All Boats 21’6” or Less for Use on the Lake

Background

Staff and the Board have received complaints related to guests bringing in non-motorized vessels (e.g. kayaks, canoes, etc.) and using the lake without a member present. The proposed rule change would require that all non-motorized vessels, with the exception of paddleboards, be registered with the Association at a one-time fee of \$5.00. The registration requirement would allow Marine Patrol to identify member vessels and remove those that are non-member owned.

Fiscal Impact

Revenue - Approximately 2000 non-motorized vessels are expected to be registered: \$5.00 x 2000 = \$10,000.00

Expense – TBD. Estimated cost of decals to be \$0.50/each purchased in bulk.

Recommendation

It is recommended that the Board of Directors approve to revise rule LM.2.6m as attached.

Cory Gorham, Sr. Member Services Manager
