RE: APPROVAL – Rule Revision GR.3.6d (Vehicle Decal for Sub-Associate Membership)

Background

The Association is in the process of transitioning the membership away from the vehicle decal and towards the RFID transponder for community access. When the transition is complete, the vehicle decal will be replaced with the transponder (which will grant access) and a permanent parking decal for identification within the community.

The proposed rule change clarifies that the transponder and parking decal issued to a Sub-Associate will be active for the duration of the membership and not based on the vehicle's registration expiration.

Fiscal Impact

None

Recommendation

It is recommended that the Board of Directors approve to revise rule GR.3.6d as attached.

Cory Gorham, Sr. Member Services Manager
