

Goals

Short Term

- Evaluate and improve security effectiveness and costs
- Improve gate access for residents and guests
- Protect Reserves to ensure our progress into the future
- Address shoreline erosion on our lake
- Manage spending to promote maximum benefit of our assessments
- Ensure road improvements are scheduled and completed

Long Term

- Maintain and enhance all amenities, facilities and infrastructure
- Promote new projects that will enhance our residents lifestyle
- Support the Lake Dredge Committee and their efforts to clean our Lake
