CANYON LAKE GOLF COURSE UPDATE

The Canyon Lake Golf Course will reopen on Friday, April 24 with strict limitations on play. On April 20, 2020 Riverside County released revisions to their COVID-19 orders on Golf Course closures. Effective immediately, public and private golf courses in the County can now re-open with some very strict limitations. On April 21, 2020 the City of Canyon Lake amended their emergency orders to allow the Canyon Lake Golf Course to open under the same limitations directed by the County. Additionally, on April 23, 2020 the City issued a second amendment which will allow the Tennis and Pickleball Courts to be played on but with similar strict restrictions. Reopening those courts will be addressed in another forthcoming update.

Golf limitations imposed by Riverside County and the City of Canyon Lake include the following:

- No more than one person may use or be present within a golf cart at any time (including family members). This is required by the County revisions.
- All persons (who do not reside in the same household) must maintain at least six feet distance from each other at all times
- All persons shall wear face coverings such as scarves (dense fabric without holes), bandanas, neck gaiter, or other fabric face coverings

The Canyon Lake POA has adopted these emergency rules to mirror the County and City requirements. Failure to comply with these requirements is punishable by law and could incur civil penalties of up to \$1,000. Additionally, any persons found not complying with these requirements will be banned from the course for 30 days. The Canyon Lake POA is also required by the City Amendment to patrol and enforce these strict requirements. Community Patrol staff will be patrolling the course to ensure compliance.

The County and City will be closely monitoring the open courses and the public's compliance with these new regulations. Players are advised that any golfers not complying will risk the course being closed again to all golfers. Now that the golf course is open, non-golf walking the course will no longer be allowed.

In addition to operating under these new limitations, the Canyon Lake Golf Course and Golf Shop will be taking the following measures:

- Frequent cleaning/sanitizing of high touch areas in all areas of the course and shop
- Create social distancing opportunities in the Golf Shop by: limiting the amount of customers in the shop at one time, creating customer line spots on the ground that are six feet apart, and creating a one-way flow of customer traffic.

PRESS RELEASE | CLPOA NOTICE

- Annual Golf Members may bypass check-in at the Golf Shop and check-in with the Starter five minutes before their tee time.
- Golf Course staff will be wearing both disposable gloves and masks.
- Single play will be encouraged and golfers will no longer be forced to “pair” together.
- Golf carts will be spaced out to accommodate appropriate social distancing.
- Removed all common-use items such as tees, score cards, pencils, ball markers, etc.
- All flagsticks and cups have either been removed or turned upside down.
- Bunker rakes have been removed, players are encouraged to foot-rake after any shot to provide a better lie for the next player coming through.

The practice facility will open as well, however players will be set up at every other spot to accommodate proper social distancing. Golf Course staff will deliver practice balls to each station. Players will be instructed to not use the dispenser or any practice ball baskets. Private single instruction golf lessons may also resume, however instructors will be providing a ten foot social distance at all times during instruction. No group lessons will be taught.
