

Hello, my name is Renee Griffiths. My husband Mark and I moved to Canyon Lake in August 2017. While it took a little time to adjust to the hot summers, we immediately fell in love with the Canyon Lake Community. When Mark is not at the fire station, we enjoy spending time on our pontoon boat with our dog and cocktails with our neighbors.

While not many are fully prepared for this position, I come to you with the time, energy, and a willingness to dig in. I have spent the last two years on the Finance Committee. This has given me great insight as to how the POA operates. As a financial planner and fiscal conservative, I believe it is crucial that board members understand the financial mechanics of the POA. It is important to make certain the community's money is spent wisely.

Goals and Objectives:

- **Transparency:** My goal is to work with the staff to make certain all bid notifications are posted to the Canyon Lake POA Website, Facebook Page, and Instagram. This way Canyon Lakers will have an opportunity bid on all the projects that our dollars fund. This will help us all feel that there is honesty and integrity in the selection process.
- **Sierra Park North:** I hope all Canyon Lakers vote YES to fund the building of Sierra Park North. Children (especially teens) need a fun place to go. This is also why I suggested to the board that kids should be allowed to ride bikes at Evans Park. Bikes should be allowed on all DG pathways.
- **Financial Responsibility:** Financial discipline is important. While there are many excellent projects on the horizon, as a board member I will consider moving forward at a slower pace to help minimize the increase in dues. Please note that the "slower pace" consideration on projects does not apply to the Sierra North Park project.
- **Community:** I will work with staff, clubs, and committees to host a Club and Committee Rush Event (this was planned in 2018, but the event was cancelled). I am also working with the Country Club to start having "Yappy Hour," and/or "Canine and Cocktails" events on the patio.
- **Security:** Having excellent security is paramount. I am excited to see the improvements in our security with the new company. If adjustments are needed, I will work staff to explore all options.
- **Listening:** As a relatively new member of the Canyon Lake Community, I understand the usefulness of listening without preconceived notions. I know that there is more than one "right" way to do something, so the opinions and ideas of our members matter to me.
- **Freedom:** My husband served in two military branches, USMC and USAF. He was willing, like countless others, to fight for our freedom. I will not infringe upon your freedom, it is invaluable.

Fun Stuff: Amenities my husband and I enjoy at Canyon Lake...Dog Park, Basketball Courts, Tennis Courts, Pickleball Courts, Golf Course, both restaurants and of course the Lake. We are members of the Canyon Lake Yacht Club, "The best party on the water."
